Ms. Boyd,

I am writing on behalf of ORS in connection with the above-referenced matters in which SR Lambert I, LLC and SR Lambert II, LLC are seeking Certificates to construct two 100 MW solar facilities in Georgetown County.

ORS and the attorneys for the Applicants have spoken and would like the opportunity to consult with the other parties regarding a proposed testimony and hearing schedule in these proceedings. If the parties are able to so agree, we would present the proposed schedule to the Commission for its consideration. I also understand that the Applicants currently are willing to holding in abeyance, until the merits hearing, their request for approval to begin initial construction activities at the sites.

I would ask the Applicants to confirm my understanding and to advise if I have misstated our discussions or their position.

Assuming the Commission is amenable to this proposal, we will reach out to the other parties of record and will advise the Commission on the status of our discussions.

Thank you for your consideration of this matter.
